

KPC Trade-in - Purchase and sale

Take-back and remarketing of your used IT equipment

K & P C O M P U T E R®

PRODUCT INFORMATION

Globalization and digitalization demand more and more agility from companies. The restructuring of process landscapes is part of the daily routine and an increasing innovation rate shortens the IT lifecycle.

With our service KPC Trade-in you have the possibility to sell your old devices profitably and at the same time save resources. As a full-service provider, we take care of the take-back and remarketing of your used IT equipment.

On the basis of your inquiry you will receive a market-oriented evaluation of your hardware with a corresponding offer. We are also happy to take over the deinstallation and data deletion of your old equipment for you, including all logistical services (pick-up service etc.) on request. Our in-house logistics centre in Wiesbaden offers the necessary storage facilities. Product recycling is carried out according to national and European specifications.

KPC Trade-in Procedure

1. Send your detailed request by e-mail to: trade-in@kpc.de
2. We evaluate your used hardware and prepare an individual offer for you
3. You place the order with us & we take care of everything else

K&P Computer is your competent partner who markets your used IT equipment in a targeted manner and thus ensures an optimal value-added chain.
